SAN DIEGO POLICE SEEK THE PUBLIC'S ASSISTANCE IN LOCATING ATTEMPT KIDNAP SUSPECT

(San Diego) San Diego Police Department detectives are investigating an attempt kidnapping that occurred in the Corridor community on Monday, February 28, 2011.

At about 3:15 p.m., a mother and her toddler sons, ages 2 and 3, were walking in the east alley of 4000 36th Street. A male wearing what was described as women's clothing and a wig approached the family from behind, grabbed the 2 year old by the arm and tried to pull him away from his mother. As the mother pulled back, the suspect told her in Spanish to let go of the boy. The mother yelled for help and suspect released his grip on the child and ran away northbound in the alley and turned eastbound onto 3600 Polk Avenue.

The suspect is described as a dark-skinned black male between 30-35 years of age, 5-6 to 5-9 and 180 lbs. The suspect was wearing a blue V-necked shirt with pink trim at the neck and buttons down the front, black pants and white tennis shoes. The suspect's hair was described as an afro style that was "wild and unkempt", possibly a wig. The mother described the suspect's attire as women's clothing. The suspect had a vertical 1" scar above his right eyebrow and a very distinctive set of raised dots on his forehead in the pattern of an inverted chevron. The dot pattern was between the hairline and eyebrows and formed a point near the bridge of his nose. The suspect spoke "good" Spanish but not as a native speaker, according to the mother.

Anyone with information concerning this case is asked to contact the San Diego Police Department Mid City Division at (619) 516-3000 or San Diego County Crime Stoppers at (888) 580-8477.
